1. Name

The name of the Charitable Incorporated Organisation (“the CIO”) is The British Hernia Society.

2. Location

The principal office of The British Hernia Society is in England.

3. Object

The object of The British Hernia Society is the advancement of health for public benefit by educating the public and healthcare professionals about hernia surgery.

Nothing in this constitution shall authorise an application of the property of The British Hernia Society for the purposes which are not charitable in accordance with [section 7 of the Charities and Trustee Investment (Scotland) Act 2005] and [section 2 of the Charities Act (Northern Ireland) 2008].

4. Powers

The British Hernia Society has power to do anything which is calculated to further its object[s] or is conducive or incidental to doing so. In particular, The British Hernia Society’s powers include power to:

- i. borrow money and to charge the whole or any part of its property as security for the repayment of the money borrowed. The British Hernia Society must comply as appropriate with sections 124 and 125 of the Charities Act 2011 if it wishes to mortgage land;
- ii. buy, take on lease or in exchange, hire or otherwise acquire any property and to maintain and equip it for use;
- iii. sell, lease or otherwise dispose of all or any part of the property belonging to The British Hernia Society. In exercising this power, The British Hernia Society must comply as appropriate with sections 117 and 119-123 of the Charities Act 2011;
- iv. employ and remunerate such staff as are necessary for carrying out the work of The British Hernia Society. The British Hernia Society may employ or remunerate a charity trustee only to the extent that it is permitted to do so by clause 6 (Benefits and payments to charity trustees and connected persons) and provided it complies with the conditions of those clauses;
- v. deposit or invest funds, employ a professional fund-manager, and arrange for the investments or other property of The British Hernia Society to be held in the name of a nominee, in the same manner and subject to the same conditions as the trustees of a trust are permitted to do by the Trustee Act 2000.

5. Application of income and property

- i. The income and property of The British Hernia Society must be applied solely towards the promotion of the object.
 - a. A charity trustee is entitled to be reimbursed from the property of The British Hernia Society or may pay out of such property reasonable expenses properly incurred by him or her when acting on behalf of The British Hernia Society.
 - b. A charity trustee may benefit from trustee indemnity insurance cover purchased at The British Hernia Society's expense in accordance with, and subject to the conditions in, section 189 of the Charities Act 2011.
- ii. None of the income or property of The British Hernia Society may be paid or transferred directly or indirectly by way of dividend, bonus or otherwise by way of profit to any member of The British Hernia Society. This does not prevent a member who is not also a charity trustee receiving:
 - a. a benefit from The British Hernia Society as a beneficiary of The British Hernia Society;
 - b. reasonable and proper remuneration for any goods or services supplied to The British Hernia Society.
- iii. Nothing in this clause shall prevent a charity trustee or connected person receiving any benefit or payment which is authorised by Clause 6.

6. Benefits and payments to charity trustees and connected persons

i. General provisions

No charity trustee or connected person may:

- a. buy or receive any goods or services from The British Hernia Society on terms preferential to those applicable to members of the public;
- b. sell goods, services, or any interest in land to The British Hernia Society;
- c. be employed by, or receive any remuneration from, The British Hernia Society;
- d. receive any other financial benefit from The British Hernia Society;

unless the payment or benefit is permitted by sub-clause (ii) of this clause, or authorised by the court or the prior written consent of the Charity Commission ("the Commission") has been obtained. In this clause, a "financial benefit" means a benefit, direct or indirect, which is either money or has a monetary value.

ii. Scope and powers permitting trustees' or connected persons' benefits

- a. A charity trustee or connected person may receive a benefit from The British Hernia Society as a beneficiary of The British Hernia Society provided that a majority of the trustees do not benefit in this way.

- b. A charity trustee or connected person may enter into a contract for the supply of services, or of goods that are supplied in connection with the provision of services, to The British Hernia Society where that is permitted in accordance with, and subject to the conditions in, section 185 to 188 of the Charities Act 2011.
 - c. Subject to sub-clause (iii) of this clause a charity trustee or connected person may provide The British Hernia Society with goods that are not supplied in connection with services provided to The British Hernia Society by the charity trustee or connected person.
 - d. A charity trustee or connected person may receive interest on money lent to The British Hernia Society at a reasonable and proper rate which must be not more than the Bank of England bank rate (also known as the base rate).
 - e. A charity trustee or connected person may receive rent for premises let by the trustee or connected person to The British Hernia Society. The amount of the rent and the other terms of the lease must be reasonable and proper. The charity trustee concerned must withdraw from any meeting at which such a proposal or the rent or other terms of the lease are under discussion.
 - f. A charity trustee or connected person may take part in the normal trading and fundraising activities of The British Hernia Society on the same terms as members of the public.
- iii. Payment for supply of goods only – controls

The British Hernia Society and its charity trustees may only rely upon the authority provided by sub-clause (ii)(c) of this clause if each of the following conditions is satisfied:

- a. The amount or maximum amount of the payment for the goods is set out in a written agreement between The British Hernia Society and the charity trustee or connected person supplying the goods (“the supplier”).
- b. The amount or maximum amount of the payment for the goods does not exceed what is reasonable in the circumstances for the supply of the goods in question.
- c. The other charity trustees are satisfied that it is in the best interests of The British Hernia Society to contract with the supplier rather than with someone who is not a charity trustee or connected person. In reaching that decision, the charity trustees must balance the advantage of contracting with a charity trustee or connected person against the disadvantages of doing so.
- d. The supplier is absent from the part of any meeting at which there is discussion of the proposal to enter into a contract or arrangement with him or her or it with regard to the supply of goods to The British Hernia Society.
- e. The supplier does not vote on any such matter and is not to be counted when calculating whether a quorum of charity trustees is present at the meeting.
- f. The reason for their decision is recorded by the charity trustees in the minutes.
- g. A majority of the charity trustees then in office are not in receipt of remuneration or payments authorised by clause 6.

- iv. In sub-clauses (ii) and (iii) of this clause:
 - a. “The British Hernia Society” includes any company in which The British Hernia Society:
 - i) holds more than 50% of the shares; or
 - ii) controls more than 50% of the voting rights attached to the shares; or
 - iii) has the right to appoint one or more directors to the board of the company;
 - b. “connected person” includes any person within the definition set out in clause 30, Interpretation.

7. Conflicts of interest and conflicts of loyalty

A charity trustee must:

- i. declare the nature and extent of any interest, direct or indirect, which he or she has in a proposed transaction or arrangement with The British Hernia Society or in any transaction or arrangement entered into by The British Hernia Society which has not previously been declared; and
- ii. absent himself or herself from any discussions of the charity trustees in which it is possible that a conflict of interest will arise between his or her duty to act solely in the interests of The British Hernia Society and any personal interest (including but not limited to any financial interest).

Any charity trustee absenting himself or herself from any discussions in accordance with this clause must not vote or be counted as part of the quorum in any decision of the charity trustees on the matter.

8. Liability of members to contribute to the assets of The British Hernia Society if it is wound up

If The British Hernia Society is wound up, the members of The British Hernia Society have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

9. Membership of The British Hernia Society

i. Admission of new members

a. Eligibility

Membership of The British Hernia Society is open to anyone who is interested in furthering its purposes, and who, by applying for membership, has indicated his, her or its agreement to become a member and acceptance of the duty of members set out in sub-clause (iii) of this clause.

A member will be an individual.

b. Admission procedure

The charity trustees:

- i) may require applications for membership to be made in any reasonable way that they decide;
- ii) may refuse an application for membership if they believe that it is in the best interests of The British Hernia Society for them to do so;
- iii) shall, if they decide to refuse an application for membership, give the applicant their reasons for doing so, within 21 days of the decision being taken, and give the applicant the opportunity to appeal against the refusal; and
- iv) shall give fair consideration to any such appeal, and shall inform the applicant of their decision, but any decision to confirm refusal of the application for membership shall be final.

ii. Transfer of membership

Membership of The British Hernia Society cannot be transferred to anyone else.

iii. Duty of members

It is the duty of each member of The British Hernia Society to exercise his or her powers as a member of The British Hernia Society in the way he or she decides in good faith would be most likely to further the purposes of The British Hernia Society.

iv. Termination of membership

a. Membership of The British Hernia Society comes to an end if:

- i) the member dies; or
- ii) the member sends a notice of resignation to the charity trustees; or
- iii) any sum of money owed by the member to The British Hernia Society is not paid in full within six months of its falling due; or
- iv) the charity trustees decide that it is in the best interests of The British Hernia Society that the member in question should be removed from membership, and pass a resolution to that effect.

b. Before the charity trustees take any decision to remove someone from membership of The British Hernia Society they must:

- i) inform the member of the reasons why it is proposed to remove him or her from membership;

- ii) give the member at least 21 clear days notice in which to make representations to the charity trustees as to why he or she should not be removed from membership;
- iii) at a duly constituted meeting of the charity trustees, consider whether or not the member should be removed from membership;
- iv) consider at that meeting any representations which the member makes as to why the member should not be removed; and
- v) allow the member, or the member's representative, to make those representations in person at that meeting, if the member so chooses.

v. Membership fees

The British Hernia Society may require members to pay reasonable membership fees to The British Hernia Society.

vi. Informal or associate (non-voting) membership

- a. The charity trustees may create associate or other classes of non-voting membership, and may determine the rights and obligations of any such members (including payment of membership fees), and the conditions for admission to, and termination of membership of any such class of members.
- b. Other references in this constitution to "members" and "membership" do not apply to non-voting members, and non-voting members do not qualify as members for any purpose under the Charities Acts, General Regulations or Dissolution Regulations.

10. Members' decisions

i. General provisions

Except for those decisions that must be taken in a particular way as indicated in sub-clause (iv) of this clause, decisions of the members of The British Hernia Society may be taken either by vote at a general meeting as provided in sub-clause ii of this clause or by written resolution as provided in subclause iii of this clause.

ii. Taking ordinary decisions by vote

Subject to sub-clause iv of this clause, any decision of the members of The British Hernia Society may be taken by means of a resolution at a general meeting. Such a resolution may be passed by a simple majority of votes cast at the meeting (including votes cast by postal or email ballot).

- iii. Taking ordinary decisions by written resolution without a general meeting
 - a. Subject to sub-clause iv of this clause, a resolution in writing agreed by a simple majority of all the members who would have been entitled to vote upon it had it been proposed at a general meeting shall be effective, provided that:
 - i) a copy of the proposed resolution has been sent to all the members eligible to vote; and
 - ii) a simple majority of members has signified its agreement to the resolution in a document or documents which are received at the principal office within the period of 28 days beginning with the circulation date. The document signifying a member's agreement must be authenticated by their signature, by a statement of their identity accompanying the document, or in such other manner as The British Hernia Society has specified.
 - b. The resolution in writing may comprise several copies to which one or more members has signified their agreement.
 - c. Eligibility to vote on the resolution is limited to members who are members of The British Hernia Society on the date when the proposal is first circulated in accordance with paragraph a. above.
 - d. Not less than 10% of the members of The British Hernia Society may request the charity trustees to make a proposal for decision by the members.
 - e. The charity trustees must within 21 days of receiving such a request comply with it if:
 - i) The proposal is not frivolous or vexatious, and does not involve the publication of defamatory material;
 - ii) The proposal is stated with sufficient clarity to enable effect to be given to it if it is agreed by the members; and
 - iii) Effect can lawfully be given to the proposal if it is so agreed.
 - f. Sub-clauses a. to c. of this clause apply to a proposal made at the request of members.
- iv. Decisions that must be taken in a particular way
 - a. Any decision to remove a trustee must be taken in accordance with clause 15(ii)
 - b. Any decision to amend this constitution must be taken in accordance with clause [28] of this constitution (Amendment of Constitution).
 - c. Any decision to wind up or dissolve The British Hernia Society must be taken in accordance with clause [29] of this constitution (Voluntary winding up or dissolution). Any decision to amalgamate or transfer the undertaking of The British Hernia Society to one or more other CIOs must be taken in accordance with the provisions of the Charities Act 2011.

11. General meetings of members

i. Types of general meeting

There must be an annual general meeting (AGM) of the members of The British Hernia Society. The first AGM must be held within 18 months of the registration of The British Hernia Society, and subsequent AGMs must be held at intervals of not more than 15 months. The AGM must receive the annual statement of accounts (duly audited or examined where applicable) and the trustees' annual report, and must elect trustees as required under clause [13]. Other general meetings of the members of The British Hernia Society may be held at any time. All general meetings must be held in accordance with the following provisions.

ii. Calling general meetings

a. The charity trustees:

- i) must call the annual general meeting of the members of The British Hernia Society in accordance with sub-clause i. of this clause, and identify it as such in the notice of the meeting; and
- ii) may call any other general meeting of the members at any time.

b. The charity trustees must, within 21 days, call a general meeting of the members of The British Hernia Society if:

- i) they receive a request to do so from at least 10% of the members of The British Hernia Society; and
- ii) the request states the general nature of the business to be dealt with at the meeting, and is authenticated by the member(s) making the request.

c. If, at the time of any such request, there has not been any general meeting of the members of The British Hernia Society for more than 12 months, then sub-clause b i) of this clause shall have effect as if 5% were substituted for 10%.

d. Any such request may include particulars of a resolution that may properly be proposed, and is intended to be proposed, at the meeting.

e. A resolution may only properly be proposed if it is lawful, and is not defamatory, frivolous or vexatious.

f. Any general meeting called by the charity trustees at the request of the members of The British Hernia Society must be held within 28 days from the date on which it is called.

g. If the charity trustees fail to comply with this obligation to call a general meeting at the request of its members, then the members who requested the meeting may themselves call a general meeting.

h. A general meeting called in this way must be held not more than 3 months after the date when the members first requested the meeting.

i. The British Hernia Society must reimburse any reasonable expenses incurred by the members calling a general meeting by reason of the failure of the charity

trustees to duly call the meeting, but The British Hernia Society shall be entitled to be indemnified by the charity trustees who were responsible for such failure.

iii. Notice of general meetings

- a. The charity trustees, or, as the case may be, the relevant members of The British Hernia Society, must give at least 14 clear days' notice of any general meeting to all of the members.
- b. If it is agreed by not less than 75% of all members of The British Hernia Society, any resolution may be proposed and passed at the meeting even though the requirements of sub-clause (iii a) of this clause have not been met. This sub-clause does not apply where a specified period of notice is strictly required by the Charities Act 2011 or by the General Regulations.
- c. The notice of any general meeting must:
 - i) state the time and date of the meeting;
 - ii) give the address at which the meeting is to take place;
 - iii) give particulars of any resolution which is to be moved at the meeting, and of the general nature of any other business to be dealt with at the meeting; and
 - iv) if a proposal to alter the constitution of The British Hernia Society is to be considered at the meeting, include the text of the proposed alteration;
 - v) include, with the notice for the AGM, the annual statement of accounts and trustees' annual report, details of persons standing for election or re-election as trustee, or where allowed under clause 22, Use of electronic communication, details of where the information may be found on The British Hernia Society's website.
 - vi) Proof that an electronic form of notice was properly addressed and sent, shall be conclusive evidence that the notice was given. Notice shall be deemed to be given 48 hours after it was sent.
 - vii) The proceedings of a meeting shall not be invalidated because a member who was entitled to receive notice of the meeting did not receive it because of accidental omission by The British Hernia Society.

iv. Chairing of general meetings

The person nominated as chair by the charity trustees under clause 19 ii, chairing of meetings, shall, if present at the general meeting and willing to act, preside as chair of the meeting. This will normally be the Secretary of the BHS. If the Secretary is unable to chair the meeting, the Past President shall chair the meeting followed by the President. Subject to that, the members of The British Hernia Society who are present at a general meeting shall elect a chair to preside at the meeting.

- v. Quorum at general meetings
 - a. No business may be transacted at any general meeting of the members of The British Hernia Society unless a quorum is present when the meeting starts.
 - b. Subject to the following provisions, the quorum for general meetings shall be the greater of [5]% or [three] members.
 - c. If the meeting has been called by or at the request of the members and a quorum is not present within 15 minutes of the starting time specified in the notice of the meeting, the meeting is closed.
 - d. If the meeting has been called in any other way and a quorum is not present within 15 minutes of the starting time specified in the notice of the meeting, the chair must adjourn the meeting. The date, time and place at which the meeting will resume must be notified to The British Hernia Society's members at least seven clear days before the date on which it will resume.
 - e. If a quorum is not present within 15 minutes of the start time of the adjourned meeting, the member or members present at the meeting constitute a quorum.
 - f. If at any time during the meeting a quorum ceases to be present, the meeting may discuss issues and make recommendations to the trustees but may not make any decisions. If decisions are required which must be made by a meeting of the members, the meeting must be adjourned.
- vi. Voting at general meetings
 - a. Any decision other than one falling within clause 10 iv. (Decisions that must be taken in a particular way) shall be taken by a simple majority of votes cast at the meeting (including postal and electronic votes). Every member has one vote.
 - b. A resolution put to the vote of a meeting shall be decided on a show of hands, unless (before or on the declaration of the result of the show of hands) a poll is duly demanded. A poll may be demanded by the chair or by at least 10% of the members present in person at the meeting.
 - c. A poll demanded on the election of a person to chair the meeting or on a question of adjournment must be taken immediately. A poll on any other matter shall be taken, and the result of the poll shall be announced, in such manner as the chair of the meeting shall decide, provided that the poll must be taken, and the result of the poll announced, within 30 days of the demand for the poll.
 - d. A poll may be taken:
 - i) at the meeting at which it was demanded; or
 - ii) at some other time and place specified by the chair; or
 - iii) through the use of postal or electronic communications, see clause 22, Use of electronic communications.
 - e. In the event of an equality of votes, whether on a show of hands or on a poll, the Past President shall have a second, or casting vote.

- f. Any objection to the qualification of any voter must be raised at the meeting at which the vote is cast and the decision of the chair of the meeting shall be final.
- vii. Postal voting
- a. The British Hernia Society may, if the charity trustees so decide, allow the members to vote by post or electronic mail (“email”) to elect charity trustees or to make a decision on any matter that is being decided at a general meeting of the members.
 - b. The charity trustees must appoint at least two persons independent of The British Hernia Society to serve as scrutineers to supervise the conduct of the postal/email ballot and the counting of votes.
 - c. If postal and/or email voting is to be allowed on a matter, The British Hernia Society must send to members of The British Hernia Society not less than 21 days before the deadline for receipt of votes cast in this way:
 - i) a notice by email, if the member has agreed to receive notices in this way under clause [22] (Use of electronic communications), including an explanation of the purpose of the vote and the voting procedure to be followed by the member, and a voting form capable of being returned by email or post to The British Hernia Society, containing details of the resolution being put to a vote, or of the candidates for election, as applicable;
 - ii) a notice by post to all other members, including a written explanation of the purpose of the postal vote and the voting procedure to be followed by the member; and a postal voting form containing details of the resolution being put to a vote, or of the candidates for election, as applicable.
 - d. The voting procedure must require all forms returned by post to be in an envelope with the member’s name and signature, and nothing else, on the outside, inside another envelope addressed to ‘The Scrutineers for [The British Hernia Society]’, at The British Hernia Society’s principal office or such other postal address as is specified in the voting procedure.
 - e. The voting procedure for votes cast by email must require the member’s name to be at the top of the email, and the email must be authenticated in the manner specified in the voting procedure.
 - f. Email votes must be returned to an email address used only for this purpose and must be accessed only by a scrutineer.
 - g. The voting procedure must specify the closing date and time for receipt of votes, and must state that any votes received after the closing date or not complying with the voting procedure will be invalid and not be counted.
 - h. The scrutineers must make a list of names of members casting valid votes, and a separate list of members casting votes which were invalid. These lists must be provided to a charity trustee or other person overseeing admission to, and voting at, the general meeting. A member who has cast a valid postal or email vote must not vote at the meeting, and must not be counted in the quorum for any part of

the meeting on which he, she or it has already cast a valid vote. A member who has cast an invalid vote by post or email is allowed to vote at the meeting and counts towards the quorum.

- i. For postal votes, the scrutineers must retain the internal envelopes (with the member's name and signature). For email votes, the scrutineers must cut off and retain any part of the email that includes the member's name. In each case, a scrutineer must record on this evidence of the member's name that the vote has been counted, or if the vote has been declared invalid, the reason for such declaration.
 - j. Votes cast by post or email must be counted by all the scrutineers before the meeting at which the vote is to be taken. The scrutineers must provide to the person chairing the meeting written confirmation of the number of valid votes received by post and email and the number of votes received which were invalid.
 - k. The scrutineers must not disclose the result of the postal/email ballot until after votes taken by hand or by poll at the meeting, or by poll after the meeting, have been counted. Only at this point shall the scrutineers declare the result of the valid votes received, and these votes shall be included in the declaration of the result of the vote.
 - l. Following the final declaration of the result of the vote, the scrutineers must provide to a charity trustee or other authorised person bundles containing the evidence of members submitting valid postal votes; evidence of members submitting valid email votes; evidence of invalid votes; the valid votes; and the invalid votes.
 - m. Any dispute about the conduct of a postal or email ballot must be referred initially to a panel set up by the charity trustees, to consist of two trustees and two persons independent of The British Hernia Society. If the dispute cannot be satisfactorily resolved by the panel, it must be referred to the Electoral Reform Services.
- viii. Adjournment of meetings

The chair may with the consent of a meeting at which a quorum is present (and shall if directed by the meeting) adjourn the meeting to another time and/or place. No business may be transacted at an adjourned meeting except business which could not have properly been transacted at the original meeting.
